

July 3rd, 2017

Dear Colleague,

Welcome to the 27th Annual Eastern Ontario Golf Day and Lecture Series program. Mark your calendar; we would love to see you for some much needed time away from the office. This year's event will be held at The Marshes and Brookstreet Hotel in Ottawa. The golf will take place on Friday September 8th and the lecture program will be held on Saturday September 9th.

Please take a look at the following invitation. Take some time off in September to spend a stress-free day golfing "best ball" with your colleagues, no experience necessary. Enjoy a nice dinner and social events on Friday evening. If you prefer not to golf, spend the day relaxing at the on-site spa, Au Naturel Spa (self-book, please see hotel website for more information).

There is a great line up for the Saturday CE Program. I have arranged fantastic speakers for lectures that I hope you will find enjoyable and educational.

The CAO and OAO will present over the lunch hour.

Overnight accommodations are available at the Brookstreet Hotel. A block of rooms is discounted and attendees can reserve their rooms through Brookstreet Hotel. Please mention that you are with "Eastern Region Optometry" to receive the discounted rate when reserving your room. Rooms can be reserved by phone at (613) 271-1800 or by email at info@brookstreet.com. You can receive the discounted rate until August 9th, 2017.

I look forward to seeing everyone in September. Please do not hesitate to contact me with any questions or concerns.

Sincerely,

Your host,
Erin Condran, O.D.
