

MNP

Professional Services

Professionals are critical members of our communities. You help keep us and our families healthy and strong, and that's why we've built a service line to do the same for your business. MNP has worked with professionals across Canada for more than 35 years and our team is ready to help your practice.

Over **22,900** professionals trusting us with their practice

More than **300** staff supporting professionals from coast to coast

Professional lifecycle

Student / resident

As you complete your education / residency and move forward in your career, MNP is here to help. We offer healthcare students and medical residents complimentary personal tax preparation and business advice.*

New graduate

As you start your career, you're faced with a variety of decisions. Making the right choice for you can be difficult without understanding the implications of your decisions. Our team provides strategies and solutions so you can start strong.

Growing practice

Realize the full potential of your growing practice. We can help you by establishing benchmarks, sharing best practices, and developing effective financial strategies.

Established practice

You've worked hard to create a strong practice and now is the time to maximize the return on investment. Our advisors help you with wealth strategies and operational priorities, to ensure your practice continues to thrive.

Exiting your practice

To get the most out of your life's work, you need a solid succession strategy that identifies when you want to exit and what you need in retirement. Our advisors can help you build a plan that meets your unique situation, and ensures you exit on your terms.

Solutions we deliver at every stage

Tax Planning

Minimize exposure and maximize returns with an effective tax strategy that balances corporate and personal tax considerations, including corporate structure, remuneration planning, wealth accumulation, and more.

Business Strategy

Running a successful practice requires expertise in a wide range of areas, including performance management and benchmarking, organizational and team design, growth and acquisition strategy, and risk management. Our team provides the advice you need to address these key challenges.

Digital Solutions

Whether you are looking to adopt cloud-based accounting and bookkeeping, enhance your cyber security, or use data analytics for valuable insights to drive your practice forward, MNP Digital offers tailored solutions to help you succeed.

Valuations

Be strategic when buying or selling a practice, preparing a succession plan, or resolving shareholder disputes. Working with our chartered business valuators, we deliver effective strategies to meet your unique needs.

Corporate Finance

Whether you are buying or selling a practice, it can be a time-consuming, complex, resource-intensive, and at times extremely stressful event. Working with our Corporate Finance professionals, we offer solutions to ease your stress and minimize your risks.

Risk Management

Today's professionals are navigating an increasingly unpredictable business environment. MNP's Enterprise Risk and Forensics teams can help you identify and address threats, including how to mitigate instances of fraud.

Retirement Planning

When it comes to your retirement, today's decisions can have a major impact on your future. we will help you develop a comprehensive retirement plan that allows you to understand the impact of your decisions and empowers you to reach your goals.

Wealth Management And Financial Planning

Preserve existing wealth and build the foundation for a healthy financial future by developing a detailed plan. We work closely with you to understand your personal and business needs to ensure you have what you need for your lifestyle.

How MNP can help

Your professional career is more than a job, it's your life's work. With so much at stake, it helps to have advisors who truly understand what is on the line. Our team has the experience and depth to deliver the strategies you need to reach your goals.

** Please note that this complimentary service is for basic personal tax returns only. If you have a more complicated personal tax situation, we'll happily provide a free quote at a discounted rate. Students are limited to medical, pharmacy, dental, veterinary, optometry and chiropractic.*
